Autumn term will begin Monday 1st September and run until Friday 12th December. Full schedule to follow.

Class levels

We currently run classes at four levels: beginners, recent beginners, improvers and intermediates. They are pitched according to how long you've danced for, how regularly you attend classes/practicass, your competence at leading/following, and your technique in certain key movements. The class levels are clearly described on our website (go to 'Classes & Practicass: Class levels').

You are welcome to attend ALL classes at or below your level (discounted price applies). We try hard to maintain the correct standard in each class, and will advise you when it is appropriate for you to move up from one level into the next. Please ask us if you have any queries about class levels.

Please note that these terms (beginner, recent beginner, improver, intermediate) are relative. You will find huge variation in the use of these terms elsewhere. Please be careful when attending any other classes to check for your comparable level. We can advise you on this if you like.

Other classes, courses and practicas (LH = Lower Hardres, Canterbury)

* All courses and events marked with a * **must** be booked and paid for in advance. Please book early to secure your place. Don't miss out!

° Pre-practica classes are suitable for all levels from recent beginners upwards. Practicas are open to all levels, including absolute beginners.

In addition to all the above, we hold other tango classes, workshops and events for other dance groups; please see our website for details of these. Do take some of our promotional leaflets and encourage anyone you know who has not yet tried tango to come to one of our events or classes for new beginners. Thank you!
